It is not clear if Messrs Coutts and Co would allow another officer than the Comptr to draw on the Mysore Govt Royalty account with them - It is also not quite clear yet is necessary for the Palace officer to have an independent drawing account - What he apparently wants is a letter of credit for £250 but it is not stated for what period the credit is required - perhaps for a year. Whether the Bankers will agree to this arrangement is the Chief Secretary's Conservator.

The Palace cannot have large disposal payments to make in England, in my opinion the opening of a separate account will some what complicate matters. The Comptroller's office can easily arrange for these payments thro' Coutts & Co., as is done in the case of other officers. May the Palace Controller be informed accordingly?

Sir,

I have the honour to acknowledge the receipt of your No. Fl.2410/Gl.Fin.67-07-5 dated the 21st instant, forwarding copies of the correspondence on the subject of a separate account being opened with Messrs. Coutts and Company, London, in the name of the Officer in charge of the Palace Establishments and asking me to state whether it is sufficient if the Bankers furnish this office with a monthly statement of " the Mysore Palace Establishments Account" they have recently opened. As the officer in charge of the Palace Establishments has been allowed a drawing account with Messrs Coutts and Company, any amount that will be placed at his disposal with the Bankers will be at once debited in the Books of this office to " Palace deposits". In these circumstances it will be sufficient if the Bankers are requested to forward a separate monthly statement of account for transmission to the Officer in charge of the Palace Establishments.
